IN3 CHALLENGE 2010 *3rd International Scenographers' Festival IN3 Basel*

Call for Entries!

The International Scenographers Festival IN3 Basel is a biennial platform for exchange and debate aimed at scenographers working in practice, theory or education.

This year, the *3rd International Scenographers' Festival IN3* commits itself to supporting the creative achievements of promising newcomers with **IN3 CHALLENGE**. Graduates and students from all over the world are invited to submit their own projects in the categories **PERFORMING ARTS** and **EXHIBITION DESIGN**. The winners and their projects will receive their awards in a ceremony at the festival opening on 2nd December 2010 in Basel.

PERFORMING ARTS

Call for entries that focus on the scenographic potential of the Performing Arts and examine the influence of theatre, film and performance on the design of productions, exhibitions, spaces and architecture.

EXHIBITION DESIGN

Call for entries that revolve around exhibiting and staging for museums.

ENTRANCE REQUIREMENTS

Individuals or groups must be enrolled in a degree course that is relevant to the subject of exhibition design or performing arts, or have graduated from such a degree course no longer than 2 years ago. Creative commissions, exceptional concepts or projects realised by individuals or groups after July 30th 2008 may enter. The age limit for entrants is 40 years.

FORM OF DELIVERY

Entrants must submit a digital PDF documentation (A4) with a written concept (half an A4 page at most) and at least 5 project photos and plans. The documentation must not exceed 10 pages. Films may additionally be submitted as film DVDs (no data DVDs) and must not exceed a duration of 5 minutes.

THE COVER AND SLEEVE MUST INCLUDE THE FOLLOWING TEXT:

Project title

Category: Exhibition Design or Performing Arts

Client/Institution/College

Name of the entrant: Individual/the group/the company
